

VCV for ESR External Account Request Process

Important information

- **Trainings about VCV for ESR:** External partners are required to familiarize themselves with all the recordings to gain access to VCV.
- **Registration for VCV for ESR Account:** External partners who wish to work with ESR studies need to register for a VCV for ESR account.

ATTENTION: Access is granted only to individual accounts after their training is completed and not to shared mailboxes or email addresses managed by more than one person.

- **Account Creation:** The account is created when the user confirms registration (they will receive an email with a code that needs to be entered).
- **Account Creation Timeframe:** The account is created within 2 working days.
- **Email with Login Credentials:** As a result, the external partner receives an email with their password and login credentials.
