

External Account Log in Process (after provisioning)

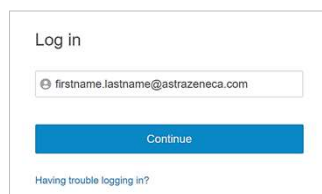

Important information

- Partners with current Exostar access to Veeva in support of AstraZeneca clinical trials will continue to use Exostar
- Please be advised that our **login username format** has changed. Your email address will no longer be your username.
- Default format for username is **firstname.lastname_ext@astrazeneca.com**
- **Your username is not an email address.** @astrazeneca.com indicates that you are accessing the AstraZeneca system. All emails and notifications from the system will go to your email with which you registered.

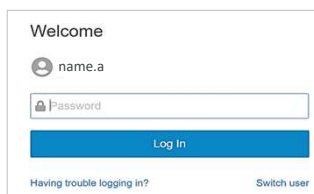

Log in process

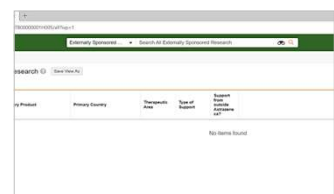

Click Log in from Partner Portal

Enter <Username> @astrazeneca.com

Enter password

Access VCV for ESR dashboard

For scientific enquiries, please contact AstraZeneca Medical Affairs
